Open
At last...
I actually bought it ...

There are two items inside, a crystal ball and a sack of magic beans
You can get a glimpse of ghost through the crystal ball
The magic beans can protect you from evil...

Only 999 yuan ~
Why don't you rob a bank?!

How about a discount ? I can settle for 99!
Are you teasing me?

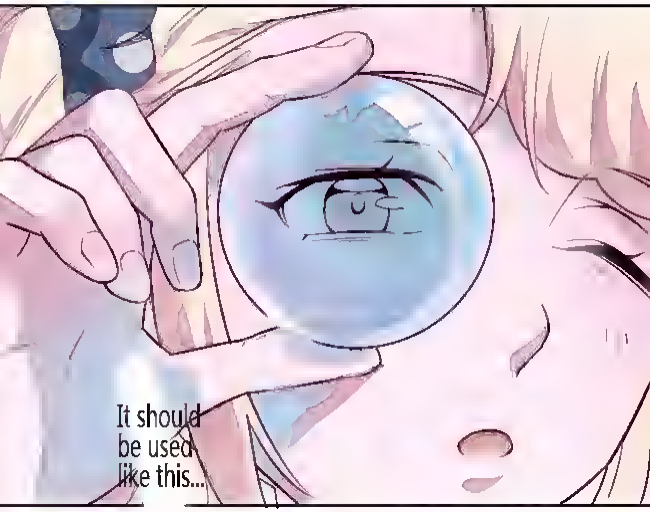
I remember the huckster told me...



It should be used like this...

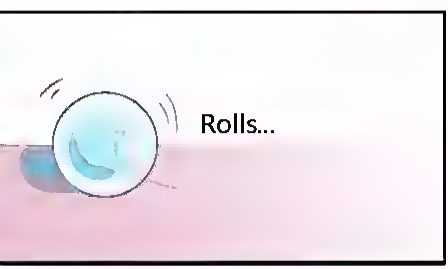
It's just an ordinary glass ball!
Tosses away...



Rolls...

Ah~silly me...
I had believed all she had told me.

I can see nothing through that ball!
I wonder where these beans should be spilled
